<b>Remarks:</b>  I am attaching a page proof for the Central Intelligence Agency blue pamphlet. As you know, we have been distributing something very similar to this for quite a few years. It has been revised, and we are about to have a number of copies printed. If you have any suggestions at all before we go to press, I should appreciate receiving them not later than Wednesday, 3 March. If I do not hear from you, I shall assume that you are satisfied with the publication as is.
